---

### Time and Event Schedule

*11-1 pm*

*Check-in 10:45 p.m.*

*11-Noon: Class*

*Noon-1 p.m. Lunch & Networking after class in boardroom. Feel free to bring a colleague that may need this class, too. Please include in your RSVP. This class counts for 1 CEU POINT toward accredited education for Interior Designers and Residential Architects.*

### Location

*Kiwi Audio Visual  
1950 Kellogg Avenue  
Carlsbad, CA 92008*

### Presenter

*Michelle Guss (Baker) – Cedia Certified*

### Learning objectives:

- **Recognize key areas of green living and how integrated home systems can create synergies**
  - Recognize importance of making "being green" easy and empowering homeowners and allowing them to measure results
  - Define green benefits of control systems for: HVAC, lighting and lighting control, automated shading, smart appliances, and water detection
  - Recognize impact on LEED for homes.
  -

We only have 5 (15) spaces left. **Please RSVP soon.**
